

# AIR CONDITIONERS

CLIMATE CONTROL, EVERY SPACE, EVERY SEASON

**TOSHIBA**  
AIR CONDITIONING

# OUR MAIN PRODUCTS

## RESIDENTIAL & LIGHT COMMERCIAL HVAC UNITS

Being comfortable in your home means much more than controlling the temperature. Our air conditioners are designed to provide improved air quality and precise temperature control all year round. Whether you are looking to cool a small bedroom or a large living space our wide variety of heating and cooling solutions to suit your requirements.

# OUR MAIN PRODUCTS...

## MONOBLOCKS

Monoblock refrigeration units are combined and compact fixtures – making them ideal for when you have limited fitting room available. They can easily be fitted on to the ceiling or on a nearby wall in order to maximise space. These refrigeration systems are all made to fit in restricted spaces and are usually fitted on ceilings or walls to accommodate more space.

# OUR MAIN PRODUCTS...

## EVAPORATORS

Evaporator is normally installed on the cold storage room ceiling and equipped with one or more fans which allow air to circulate in the cold storage room.

## FANS

At Bemaric, we offer a comprehensive range of cooling solutions to meet all your needs. From ceiling-mounted fans that seamlessly blend with your decor to standalone fans that provide flexible cooling wherever you need it, we've got it all. Our products are designed to ensure optimal comfort and efficiency in every room. Whether you're looking to enhance the airflow in your home or office, our expert team is here to help you find the perfect solution. Contact us today for more information, and let us help you create the ideal climate for your space.
