WHY CHOOSE BEMARIC GREEN ENERGY?

LOCAL & GLOBAL COMMITMENT, EXPERTISE

As a Kenyan-based company, we understand the unique energy challenges faced by communities in East Africa. Our team combines local insights with global expertise to deliver tailor-made solar solutions.

EMPOWERING COMMUNITIES

Beyond just installing solar panels, we are passionate about empowering communities. Bemaric Green Energy works closely with local partners to create sustainable energy ecosystems that benefit businesses, homes, and schools.

OUR SERVICES

LOCAL & GLOBAL COMMITMENT, EXPERTISE

Bemaric Green Energy provides a seamless transition to solar energy. We offer comprehensive services, including a thorough consultation and site assessment, custom system design, permitting assistance, and the implementation of monitoring systems. This holistic approach ensures a smooth and efficient journey towards sustainable energy solutions. We sell both polycrystalline and monocrystalline solar panels.

RESIDENTIAL SOLAR SOLUTIONS

Transform your home into an energy-efficient haven with our residential solar solutions. Say goodbye to electricity bills and embrace a cleaner, greener lifestyle

OFF-GRID SOLUTIONS

Bring electricity to remote areas with our off-grid solar solutions. Bemaric Solar is dedicated to bridging the energy gap and improving the quality of life for all communities.

INDUSTRIAL AND COMMERCIAL SOLAR INSTALLATIONS

Boost your business's sustainability while reducing operating costs. Our solar installations are designed to meet the unique energy needs of your enterprise.

OUR PRODUCTS

We partner with globe's most sort after solar products manufactures, offering all-in-one solar solution for our global customers, with both polycrystalline and monocrystalline solar panels. Our solar solutions cover works including solarization of boreholes, solar off-grid plans, and solar hybrid systems. We also have an array of product series including panels, Inverter, Solar batteries etc., check out our listed products below and reach out to us for efficiency and Excellence. Our products and systems can also be customized according to our customer's demands. We offer free of charge consultancy to our customers and give exceptional product warranties.

OUR OTHER PRODUCTS

Generators

Elevate your power back-up with Bemaric Building Solutions! We offer new, preowned, and refurbished generators from top brands like Cummins, Perkins, AKSA, Colt, Doosan, Kohler, KJ, TATA and Lister Peter. Ranging from 2KVA to 4000KVA, our generators ensure uninterrupted power for commercial centers, residential apartments, industries, and hospitals.

Choose confidence with warranties up to 3 years and enjoy a complimentary first service. Empower your projects with Bemaric – Your Trusted Generator Partner for developers and engineers!

Lifts & Elevators

Elevate your spaces with precision and reliability! We specialize in all types lifts, escalators, and construction hoists, bringing you a comprehensive range of various top-notch brands. Our extensive portfolio showcases our commitment to client satisfaction. Elevate your spaces with our premium lift solutions for excellence that lasts!

Water Heaters

Elevate your comfort with Bemaric Building Solutions – your go-to for premium water heating solutions!

Explore our options, featuring solar water heater systems of capacity 100L to 350L to customizable tanks of up to 4000L, Electric water heaters of capacity 20L to 500L, and efficient Heat pumps of capacity 100L to 350L. Our products are affordable, adaptable to both soft and hard water, and renowned for reliability. Enjoy peace of mind with warranties spanning 2 to 5 years. Bemaric, where excellence meets affordability in water heating solutions!

Internet & Surveillance

Elevate your surveillance with Bemaric Building Solutions, integrating industry leaders like Hikvision, Cisco, Dell, APC, and Samsung. Hikvision delivers top-notch video solutions, Cisco excels in seamless networking, Dell provides robust computing infrastructure, APC ensures uninterrupted power, and Samsung enhances visuals. Experience collaboration-driven innovation for end-to-end solutions, from cameras to storage. Tailor your system with a mix-and-match approach, selecting components to suit your needs. Stay ahead with Bemaric's cutting-edge surveillance solutions, where customization meets innovation. Note that partnerships evolve; stay informed with the latest updates from these industry giants for optimal solutions.

Air Conditioners

Whether it's a single room or an entire building, Bemaric Construction has the expertise to provide the perfect climate control solution. Customize your air conditioning system by selecting the best components from our trusted partners, ensuring a cooling experience tailored to your unique needs. Stay ahead of the curve with Bemaric Construction's innovative solutions, where efficiency meets comfort. Keep informed on the latest advancements from these industry giants to always have the most advanced technology at your disposal.

ABOUT US

Our people, processes and products must be of the highest industry standards, always.

Integrity

Our business must be a conduit for improved human lifestyle and global development. Accordingly, we seek clients, markets, and industries that are dedicated to making a positive impact on the world.

Diverse thinking is vital in tackling some of the complex global challenges. We bring a diverse and multi-disciplinary team of professionals together to strengthen our work in all areas

Invention

We attract the best talent by creating a culture of innovation and developing products to meet global challenges

Flexibility

We readily adopt to client needs and changing environments. Internally, we espouse a work culture that prizes employee flexibility and growth.

Customer-Centric Approach

We prioritize your needs, offering personalized services, expert guidance, and ongoing support to ensure your complete satisfaction.

WHY CHOOSE BEMARIC SOLAR?

- 1. Custom Solutions:** Tailored solar PV systems designed to meet your specific energy needs, whether residential, commercial, or industrial.
- 2. Eco-Friendly Energy:** Harness the power of the sun for clean, renewable, and sustainable energy solutions.
- 3. Cost Savings:** Reduce electricity bills and enjoy long-term energy independence.
- 4. Wide Range of Products:** We provide a variety of solar PV options, including on-grid, off-grid, and hybrid systems.
- 5. High-Quality Panels:** Offering both polycrystalline and monocrystalline panels to suit diverse preferences and energy requirements.
- 6. Expert Consultation:** Free consultations to help you choose the right system for your needs.
- 7. Fast Installation:** We ensure efficient project completion within agreed timelines.
- 8. Warranty and After-Sales Support:** lifetime warranty on panel, 5 years on batteries and inverters, and free service for the first year.
- 9. Flexible Payment Plans:** Affordable options to make solar power accessible for all budgets.
- 10. Advanced Technology:** Utilization of cutting-edge solar technology for maximum efficiency and reliability.
- 11. Scalable Solutions:** Systems that can grow with your energy demands.
- 12. Free Site Assessment:** Professional evaluation to ensure optimal installation and performance.
- 13. Lifespan:** Over 40 years of guaranteed performance.
- 13. 24/7 Support:** Dedicated customer service for ongoing support and maintenance.

Choose us for clean energy, reliable, efficient, and sustainable solar PV solutions to maximize energy generation!
